

## Samiksha Foundation Special Newsletter-June 2025

### Celebrating Sixteen Years of Samiksha Foundation

On 18th June 2025, we proudly marked 16 incredible years of Samiksha Foundation across our learning centers — IGICH, SSCHRC, and St. John's.

To commemorate this special milestone, Samiksha teachers thoughtfully facilitated a series of engaging activities for the children — including chess, memory games, number puzzles, and creative challenges. Each activity was designed to nurture focus, mindfulness, and collaborative learning. The energy, smiles, and laughter were a beautiful reminder of the resilience and spirit of young minds. Finally Gifts distributed.

Here is sixteen years of learning, healing, and growing together and to many more ahead.
